

January 2021 FL NENA Notes for Regional Meetings

1. Committee Volunteers - We look forward to a busy year. We have spent the past few years strengthening our organization and now is the time to get to work. As we have said in the past, this is YOUR organization...so why not get involved. We have several committees and can always use volunteers. The current standing and special committees are:
 - a. Public Education
 - b. Database/GIS – Survey to be posted week of January 25th
 - c. Conference
 - d. Media
 - e. Stakeholder Awareness
 - f. Education

Please reach out to the Committee Chairs or Executive Board for more information on the committees.

2. Membership and Renewals – If all current members renew their membership, with the number of members we've gained we would have over 800 members. This is a goal we would love to see. Remember, Group Memberships are a cost effective way to allow more members of your organizations benefit from membership in NENA.
3. ENP Study Group – Our Study Group will begin on February 9, 2021. Study sessions will be held on Tuesdays from 3:00 – 4:00pm. The sessions will run through March 17, 2021.
4. FL NENA ArcGIS Training – The first course was held over the past three weeks. We had a good turnout and hope to continue. This training is being offered free of charge. You may want to forward the information to your agency's GIS personnel. We have three more sessions coming up over the next several months.
5. Conference – We will be holding our Spring Training Conference and Expo from March 7-12, 2021, at the Westin Sarasota. The Conference Committee (Thank you Sue Pettingill) and Executive Board have worked with the hotel to be able to provide a safe, productive and fun event for all. Both FL NENA and the Westin will be taking extra precautions to ensure everyone's safety.

For information on the Conference and safety measures, along with information on all these items visit our website at WWW.FLNENA.ORG. As always, you can reach out to one of the Committee Chairs or Executive Board members.
