

Instructions for Activating Courses

Thanks for your purchase from Geospatial Training Services! Before beginning your course(s) you will need a login/password and you will need to activate the courses individually by entering a code. Instructions are below.

1. Go to <http://geospatialtraining.docebosaas.com>
2. If you haven't already created a username/password for our site please do so by clicking the Register link. If you already have a username/password you can go ahead and login.
4. You will need to activate the course(s) by entering the codes below.
5. Sign in and go to My Dashboard.
6. At the bottom of the My Dashboard page is a place to type in your subscription code.

The screenshot shows a web form titled "Enter course subscription code". Inside the form, there is a question: "Do you have a subscription code?" with a subtext "Type it here to subscribe to your courses!". To the right of this text is a text input field labeled "Subscription code" with a red asterisk indicating it is required. A right-pointing arrow is located at the end of the input field.

7. Subscription codes for the classes are found below.
8. Inside the course you will find all the lectures, exercises instructions, exercise files.
9. If you have problems please contact us at eric@geospatialtraining.com
10. Enter the codes below to activate all courses at once or specific courses.
